

TSI Team Members Recognized For Their Exceptional Meritorious Service

Secretary of Defense, Mr. Robert M. Gates recently awarded The Joint Program Executive Office for Mine Resistant, Ambush Protected Vehicles (JPO MRAP) with the Joint Meritorious Unit Award for exceptionally meritorious service in support of the United States Armed Forces. In terms of precedence, this award is second only to the Presidential Unit Citation and is equivalent to the Defense Superior Service Medal. This citation is only awarded to members of the Armed Forces and civilian federal employees who played a role in the superior performance of their unit during a specified timeframe. However, The Joint Program Manager, Mr. Dave Hansen, insisted on showing gratitude to civilian contractors who helped make this remarkable achievement possible. Civilian contractors recognized by the MRAP Joint Program Manager for their essential service in achieving this historic award included the following TSI employees:

Dr. Garry Coleman

Dr. Sharon Conti

Mr. Mark Smith

Ms. Dottie Frazier

Mr. Paul Odomirok

Mr. Milt Burton

Ms. Vaughan Limbrick

Mr. Matt Beatty

Mr. Nate Felton

These contractors each received a formal citation for the Joint Meritorious Unit Award from Mr. Dave Hansen, Joint Program Manager for JPO MRAP.
