

TSI Donates 100 Children's Books To Toys For Tots Literacy Program

Arlington, VA – November 9, 2011 – TSI employees and their guests gathered at the Gaylord National Resort in National Harbor, MD on November 5 for TSI's Annual Banquet and Awards Celebration. TSI celebrated the company's 2011 success and used the gathering to promote a good cause with a book drive benefiting the Marine Toys for Tots Foundation Literacy Program. TSI employees enthusiastically donated over 100 new books.

The Marine Toys for Tots Foundation Literacy Program is one of TSI's charities of choice as part of their Feed to Lead Program. The Literacy Program puts books in the hands of economically disadvantaged children giving them the opportunity to improve their reading skills and experience the joy of reading. TSI CEO Marta Wilson started the Feed to Lead Program which commits multi-year funding earmarks and time to fight hunger and promote literacy and STEM education. For more information about the program please visit: www.transformationsystems.com/community.html

About Transformation Systems, Inc.

TSI is a fast growth management systems engineering company of PhDs, possibility thinkers and business authors who help forward thinking military and civilian leaders within the Defense community achieve their extremely challenging goals in ways that are most efficient, effective and responsive. The TSI team has been recognized repeatedly for helping set historic records as part of the Defense community's counter-IED effort within the Joint MRAP Vehicle Program and by the Naval Sea Systems Command for facilitating successful technology transitions such as ERP. When leaders must improve enterprise performance without increasing their budgets, they call TSI for management systems engineering solutions that increase productivity and save money.
